

On My Knees

Colossians 4

Donna Kesner

Because Jesus is the image of the invisible God, we connect to our invisible God through prayer.

Because Jesus has all authority and inheritance as God's Son, prayer gives us access to His authority and inheritance as we are now qualified to share in that as saints in the light.

Because Jesus is the Creator God and King over all creation, we submit to him in prayer as His creation.

Because Jesus rose from the dead giving us new life and the resurrected power now lives in us, we access that power through prayer.

Because He has transferred us from the domain of darkness into the kingdom of His Beloved Son, we can only operate in His kingdom through prayer.

Because Jesus took the full payment on the cross for our sins, we have access to the very presence of our holy God entering and experiencing His fellowship of love and grace and truth. In prayer, we experience God.

**Devote
means
to give
constant
attention
to a
thing.**

To give or apply (one's time, attention, or self, for example) entirely to a particular activity, pursuit, cause, or person.

To set apart for a specific purpose or use.

To appropriate by vow; to set apart or dedicate by a solemn act; to consecrate

How do we devote our lives to prayer?

- Decide to make prayer a priority in your daily activities
- Begin prayer by adoring Him for who He is
- Be alert as you devote yourself to pray
- Have thanksgiving at your right hand as you pray
- When asking for help for yourself, or for someone else, pray Scripture
- Pray and praise together with other believers

Let your
conversation be
always full of
grace, seasoned
with salt, so
that you may
know how to
answer everyone.
